**Deadline October 10*

Program Description

This one-day program will focus on several mental health issues such as **Addiction, Hoarding, Aging Families, Dissociative Identity Disorder** and **Juvenile Onset of Bipolar Disorder**. The program goal is to provide quality education and training for healthcare professionals, giving them knowledge and tools to best care for clients.

Learning Outcomes

Upon completion of this program, 90% of the participants will demonstrate a better understanding of the mental health issues discussed and learn to provide appropriate treatments/ assistance to their clients.

Target Audience

Social Workers, Counselors / Therapists, Nurses and Other Interested Health and Human Service Professionals.

Additional Details

More information will be sent out to registrants 2-3 days before the event, including directions to location, some speakers' slides / presentation in PDF format, etc.

Americans With Disabilities Act

If you need any of the auxiliary aids or services identified in the ADA to participate in this program, contact Nelda M. Hope at nhope@srhs.com by October 10. For extra comfort, bring a jacket or sweater.
