

Please Join Us in Cultivating
**POSITIVE MENTAL HEALTH IN
SPARTANBURG COUNTY**

Dear Corporate Friend,

This letter is simple but not so sweet. Mental health issues in Spartanburg County are rampant and touch the lives of about every employee in your organization. Facts:

South Carolina ranks 49th among all 50 states in access to mental health care;

South Carolina ranks 43rd in youth mental health;

40% of SPARTANBURG parents report stress related to their child's mental health issues.

(Data per MHA America 2025 and Strategic Spartanburg 2025)

MHA Spartanburg would love to partner with your company. We participate in corporate health fairs, provide mental health training and more. Contact info@mhaspartanburg.org to express your interest.

But MHA Spartanburg cannot live into its mission of reducing the stigma of mental health and educating our citizens and most importantly educating our local therapists and clinicians without financial support.

Enclosed please find information (signature event descriptions and comfortable sponsorship levels) on what MHA does in our community to cultivate positive mental health and how your organization can sow seeds of mental wellness in our community. Your sponsorship participation not only shows the Spartanburg community you care about mental health; ***it shows your employees that you care as well.***

If you have any questions, please call 864-345-0014 or email info@mhaspartanburg.org.

Sincerely,

Alane J. Swain, MHA, BSN
Executive Director

SIGNATURE EVENTS

BE KIND TO YOUR MIND

May 3, 2026 at Northside Harvest Park

Each year, to kick off Mental Health Month in May, Mental Health America of Spartanburg County hosts Be Kind To Your Mind! Borne out of a desire to recognize the work that the artist Bailie has done to overcome his own mental health challenges, it's a celebration of all mental health stigma reduction and advocacy in Spartanburg County. This event will be celebrating its 5th year in 2026 and is a free, family-friendly event with food, a DJ, face painting, and a number of awards presented to advocates. The generous support of sponsors allowed this event to be fully paid for in 2025, and the additional ability to recognize advocates/difference makers in Cherokee and Union Counties!

ANNUAL SYMPOSIUM ON MENTAL HEALTH

2026 Date to be Announced

Celebrating its 10th year in 2025, the annual Symposium on Mental Health is a way to provide local clinicians with continuing education and updates on topical issues within the mental health sphere. This event has traditionally been held at The Piedmont Club due to a continued relationship with a former Board Member and Symposium Award winner. As seen in the preceding levels, sponsorship of this event allows for the sponsor to interact with local mental health professionals and ensure branded giveaways go home with attendees. Additionally, the provision of continuing education, a continental breakfast and buffet lunch, speaker honorariums and five awards (Advocate, Youth, Young Adult, Lifetime, Corporate Partner) was covered by 2025 sponsors!

BI-MONTHLY EDUCATIONAL SERIES

2026 Tentative Dates: January 8, March 12, May 14, July 9, September 10, November 12

Each year, MHA Spartanburg hosts 6 educational offerings. These are free to attend, and for a small fee Social Workers, Therapists, Counselors may obtain a continuing education credit. Whereas the Annual Symposium is geared specifically toward clinicians, the Educational Series focuses on important topics at a level that both clinicians and lay people can understand. Offerings are a hybrid format, on Zoom and in person. With the speakers' permission, the Educational Series is recorded and saved on the MHA Spartanburg YouTube channel and on our website, making the information more accessible to more people.
